TITLE: Approve the California Office of Emergency Services Designation of Applicant's Agent Resolution for Non-State Agencies (Cal OES Form 130)

RECOMMENDATION:

Staff recommends the Board of Directors approve, by Resolution, the California Office of Emergency Services Designation of Applicant's Agent Resolution for Non-State Agencies (Cal OES Form 130).

DISCUSSION:

For the District to be eligible to obtain certain disaster cost reimbursements from the State of California and the Federal Emergency Management Agency (FEMA), the Board must approve a universal or disaster-specific resolution on the Cal OES Form 130. A universal resolution designates the positions the Board authorizes to apply for public assistance and recovery funding on behalf of the District for a three-year period. A new resolution must be submitted if a previously submitted resolution is older than three (3) years from the last date of approval, is invalid, or has not been submitted. The District has not submitted a Cal OES Form 130 to the State.

Staff proposes the Board of Directors designate the General Manager, Finance Director, and Administrative Services Director as agents who are authorized to handle all matters related to disaster aid from the California Office of Emergency Services, including providing any necessary assurances and agreements, if required. If approved, the authorization is effective for all open and future disasters declared up to three (3) years following the date of approval, through September 9, 2028.

Cal OES Form 130 Instructions

A Designation of Applicant's Agent Resolution for Non-State Agencies is required of all Applicants to be eligible to receive funding. A new resolution must be submitted if a previously submitted resolution is older than three (3) years from the last date of approval, is invalid, or has not been submitted.

When completing the Cal OES Form 130, Applicants should fill in the blanks on pages 1 and 2. The blanks are to be filled in as follows:

Resolution Section:

Governing Body: This is the group responsible for appointing and approving the Authorized Agents.

Examples include: Board of Directors, City Council, Board of Supervisors, Board of Education, etc.

Name of Applicant: The public entity established under the laws of the State of California.

Examples include: School District, Office of Education, City, County or Non-profit agency that has applied for the grant, such as: City of San Diego, Sacramento County, Burbank Unified School District, Napa County Office of Education, University Southern California.

Authorized Agent: These are the individuals that are authorized by the Governing Body to engage with the Federal Emergency Management Agency and the California Governor's Office of Emergency Services regarding grants for which they have applied. There are two ways of completing this section:

1. **Titles Only:** The titles of the Authorized Agents should be entered here, not their names. This allows the document to remain valid if an Authorized Agent leaves the position and is replaced by another individual. If "Titles Only" is the chosen method, this document must be accompanied by either a cover letter naming the Authorized Agents by name and title, or the Cal OES AA Names document. The supporting document can be completed by any authorized person within the Agency (e.g., administrative assistant, the Authorized Agent, secretary to the Director). It does not require the Governing Body's signature.
2. **Names and Titles:** If the Governing Body so chooses, the names **and** titles of the Authorized Agents would be listed. A new Cal OES Form 130 will be required if any of the Authorized Agents are replaced, leave the position listed on the document, or their title changes.

Checking Universal or Disaster-Specific Box: A Universal resolution is effective for all past disasters and for those declared up to three (3) years following the date of approval. Upon expiration it is no longer effective for new disasters, but it remains in effect for disasters declared prior to expiration. It remains effective until the disaster goes through closeout unless it is superseded by a newer resolution.

Governing Body Representative: These are the names and titles of the approving Board Members.

Examples include: Chairman of the Board, Director, Superintendent, etc. The names and titles **cannot** be one of the designated Authorized Agents. A minimum of three (3) approving board members must be listed. If less than three are present, meeting minutes must be attached in order to verify a quorum was met.

Certification Section:

Name and Title: This is the individual in attendance who recorded the creation and approval of this resolution.

Examples include: City Clerk, Secretary to the Board of Directors, County Clerk, etc. This person **cannot** be one of the designated Authorized Agents or Approving Board Member. If a person holds two positions (such as City Manager and Secretary to the Board) and the City Manager is to be listed as an Authorized Agent, then that person could sign the document as Secretary to the Board (not City Manager) to eliminate "Self-Certification."

TITLE: Discuss Options for Filling a Board of Directors Vacancy

RECOMMENDATION:

Staff recommends the Board of Directors accept, by Motion, the declaration of a Board of Directors vacancy for Division 2 created by the resignation of Director Ann Marie Johnson and direct staff to proceed with the Board's selected option to fill the vacancy for the remainder of the Division 2 term.

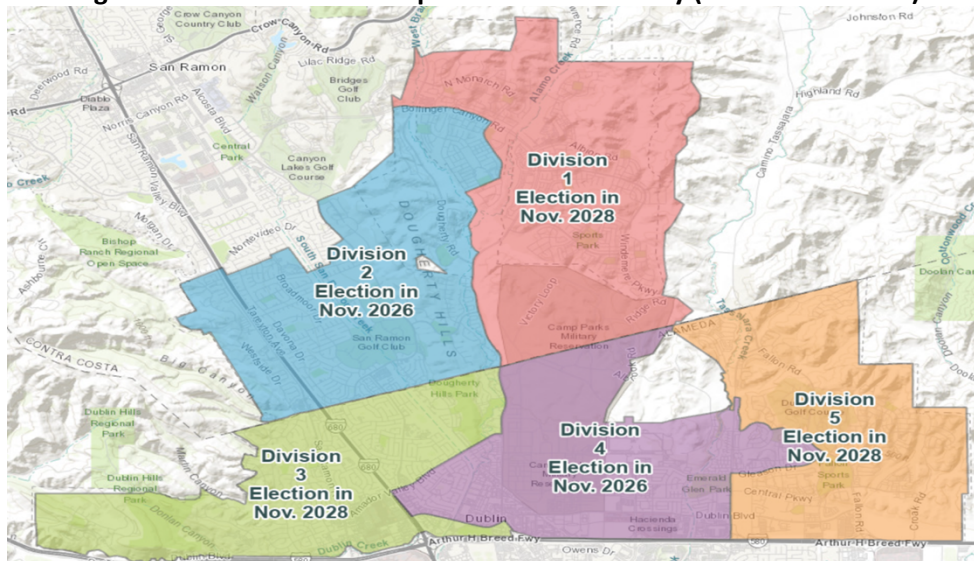

SUMMARY:

The Board is hereby officially notified of a vacancy in District voting area Division 2, created by the resignation of Director Ann Marie Johnson. Director Johnson's last day in office was August 31, 2025. Vacancies on the District Board of Directors are filled pursuant to Government Code Section 1780, which provides that the Board may appoint a person to the office or call for an election. The Board must either call for an election or act to appoint a new Director by October 31, 2025. Whether appointed or elected, a person would serve for the remainder of Director Johnson's term, a period of 16 months, which expires in December 2026 following the November 2026 General Election.

DISCUSSION:

Pursuant to Government Code Section 1770(c)(1), as of September 1, 2025, a vacancy exists for the Division 2 seat on the Board of Directors (Figure 1). Pursuant to Government Code Section 1780 (Attachment 1), the following notifications and actions must happen: (1) the County Elections Official must be notified within 15 days of September 1; (2) the Board of Directors must decide the method of filling the Division 2 position and take action no later than 60 days after September 1; and (3) notice that the Board may make an appointment or call for an election at least 15 days prior to the meeting at which the election is called for or an appointment made. In this case, the Board must take action no later than October 31, 2025. If the Board wishes to appoint an individual to fill the vacancy, the position will be filled by resolution.

Originating Department: Office of the General Manager	Contact: N. Genzale/J. Lee	Legal Review: Yes
Financial Review: Not Required	Cost and Funding Source: Option #1 approximately \$180,000 - \$225,000 plus advertising costs, Options #2 and #3 expected to be less than \$5,000 for advertising costs, from Board of Directors Division 10 Election Budget	
Attachments: <input type="checkbox"/> None <input type="checkbox"/> Resolution <input type="checkbox"/> Ordinance <input type="checkbox"/> Task Order <input type="checkbox"/> Proclamation <input checked="" type="checkbox"/> Other (see list on right)	Attachment 1 – Government Code Section 1780 Attachment 2 – Suggested Application Form	

Option #1 – Call an election to fill the vacancy:

Per the District Election Dates policy, the District holds regular elections of the Board of Directors on the same date as the statewide general election, on the first Tuesday after the first Monday of November in even-numbered years. For the District, a non-general election is a special election, which must be held on an otherwise established election date as set by the applicable county.

The Board could call for an election to determine a new Division 2 Boardmember. The appropriate election date, as set by Government Code Section 1780, is the next established election date that is 130 days or more from the date on which the election is called. Calling for the vacancy to be filled by election would therefore result in the vacancy extending until a new Director is elected at a special District election and seated following certification of the election results. The person elected would then serve out the remainder of the term expiring December 2026, while the seat would be up for reelection in November 2026.

The Board could request the Contra Costa County Elections Official to run a traditional election or a vote-by-mail election for the District. The next established traditional election date is April 14, 2026. The next established vote-by-mail election date is May 5, 2026. The Contra Costa County Registrar of Voters reports that there are 14,978 registered voters in DSRSD's Division 2 as of August 18, 2025, and that a special DSRSD election could cost approximately \$12–\$15 per voter, with an overall approximate cost of \$180,000–\$225,000, plus any additional costs to advertise the election. The costs would be lower if an election could be consolidated with other elective offices, but Contra Costa County does not currently have any scheduled for April 14 or May 5. Therefore, Contra Costa County may need to conduct a standalone election for DSRSD on April 14 or May 5.

Staff would not recommend calling an election due to the estimated costs of a special election less than seven months prior to the general election for the Division 2 seat. If the Board directs staff to proceed with Option #1, staff would request additional funding for fiscal year 2026 at a future Board meeting to cover the costs of the special election and advertising as these costs are not currently budgeted.

Option #2 – Proceed with an application and interview process with qualified citizens of the District, and make an appointment based on the results of a formal process:

The Board could direct staff to take steps to implement an application and interview process. This process was last used by the District for a Board vacancy caused by a resignation in 2022. Prior to that, this process was implemented for a Board vacancy when no candidates ran for the Division 5 seat during the regular election in 2020. If the Board wishes to proceed with this option, staff suggests the following process in order to meet all legally required deadlines, while providing adequate time for notifying the public and considering applicants:

- September 10 – Staff begins publicizing the application and interview process with a press release, District website information, social media postings, a newspaper advertisement, targeted community postings, and notices to Citizens Water Academy graduates residing in Division 2. Legal notices and posting of the determination to fill the vacancy by appointment would be made consistent with legal requirements following this meeting.
- October 1 – Application period closes after 21 days. The District Secretary screens applications to confirm applicants meet minimum eligibility criteria, including residency in Division 2.
- October 2 – District Secretary posts the notice of vacancy in at least three conspicuous places in the District.
- October 7 or 21 – Board reviews qualified applications included in the agenda packet and determines which applicants to invite for interview at the regular October 21 Board meeting or a special October 28 Board meeting.
- October 21 or 28 – Board interviews invited applicants, makes a selection, and adopts a resolution appointing a candidate to fill the Division 2 position until a new Director is elected at the next general District election in November 2026 and seated in December 2026. A vote of at least three of the existing four Directors would be necessary to make the appointment. The administration of the oath of office for the selected candidate could be made immediately, and the new Director would take office immediately and be seated at this meeting. The County Elections Official must be notified within 15 days of the appointment. Under this timeline, the Board would make a final decision at the October 21 regular Board meeting or at a subsequent special meeting on October 28. If the Board wishes to proceed with this

option, staff recommends that the Board direct staff to utilize the suggested application (Attachment 2) for soliciting applicants.

Option #3 – Proceed with the direct appointment of any qualified citizen in the District:

In light of the short period for which an appointee will serve, the Board could discuss possible individuals to be appointed to fill the vacancy, as was used when Director Madelyne Misheloff passed away in April 2020 creating a vacancy that was filled by former Director Pat Howard (who was appointed and had expressed that he would not, and did not, subsequently run for reelection). The Board could then direct staff to publicly notice the intended appointment for the October 7 or October 21 Board meeting. Staff would post and publicize the notice of vacancy no later than September 22 for the October 7 meeting or no later than October 6 for the October 21 meeting. A vote of at least three of the existing four Directors would be necessary to make the appointment, which would be made by resolution. The administration of the oath of office for the appointee could be made immediately, and the new Director would take office immediately and be seated at this meeting. The appointee would serve until a new Director is elected at the next general District election in November 2026 and seated in December 2026. The County Elections Official must be notified within 15 days of the appointment.

If no action is taken by DSRSD by the October 31 deadline:

Under operation of state law, the Contra Costa County Board of Supervisors has the authority beginning November 1, 2025, to appoint an individual to the vacant seat or to direct the District to call an election. If the Board of Supervisors does not appoint an individual or direct the District to call an election within 30 days (December 1, 2025), the District is then required by law to call an election to fill the vacancy at the next established election date (as described in Option #1). The person elected would serve until December 2026.

(b) The district shall notify the county elections official of the vacancy no later than 15 days after either the date on which the district board is notified of the vacancy or the effective date of the vacancy, whichever is later.

(c) The remaining members of the district board may fill the vacancy either by appointment pursuant to subdivision (d) or by calling an election pursuant to subdivision (e).

(d) (1) The remaining members of the district board shall make the appointment pursuant to this subdivision within 60 days after either the date on which the district board is notified of the vacancy or the effective date of the vacancy, whichever is later. The district shall post a notice of the vacancy in three or more conspicuous places in the district at least 15 days before the district board makes the appointment. The district shall notify the county elections official of the appointment no later than 15 days after the appointment.

(2) If the vacancy occurs in the first half of a term of office and at least 130 days prior to the next general district election, the person appointed to fill the vacancy shall hold office until the next general district election that is scheduled 130 or more days after the date the district board is notified of the vacancy, and thereafter until the person who is elected at that election to fill the vacancy has been qualified. (3) If the vacancy occurs in the first half of a term of office, but less than 130 days prior to the next general district election, or if the vacancy occurs in the second half of a term of office, the person appointed to fill the vacancy shall fill the balance of the unexpired term of office.

(2) The election called pursuant to this subdivision shall be held on the next established election date provided in Chapter 1 (commencing with Section 1000) of Division 1 of the Elections Code that is 130 or more days after the date the district board calls the election.

(f) (1) If the vacancy is not filled by the district board by appointment, or if the district board has not called for an election within 60 days of the date the district board is notified of the vacancy or the effective date of the vacancy, whichever is later, then the city council of the city in which the district is wholly located, or if the district is not wholly located within a city, the board of supervisors of the county representing the larger portion of the district area in which the election to fill the vacancy will be held, may appoint a person to fill the vacancy within 90 days of the date the district board is notified of the vacancy or the effective date of the vacancy, whichever is later, or the city council or board of supervisors may order the district to call an election to fill the vacancy.

(2) The election called pursuant to this subdivision shall be held on the next established election date provided in Chapter 1 (commencing with Section 1000) of Division 1 of the Elections Code that is 130 or more days after the date the city council or board of supervisors calls the election.

(g) (1) If within 90 days of the date the district board is notified of the vacancy or the effective date of the vacancy, whichever is later, the remaining members of the district board or the appropriate board of supervisors or city

council have not filled the vacancy and no election has been called for, then the district board shall call an election to fill the vacancy.

(2) The election called pursuant to this subdivision shall be held on the next established election date provided in Chapter 1 (commencing with Section 1000) of Division 1 of the Elections Code that is 130 or more days after the date the district board calls the election.

(h) (1) Notwithstanding any other provision of this section, if the number of remaining members of the district board falls below a quorum, then at the request of the district secretary or a remaining member of the district board, the appropriate board of supervisors or the city council shall promptly appoint a person to fill the vacancy, or may call an election to fill the vacancy.

(2) The board of supervisors or the city council shall only fill enough vacancies by appointment or by election to provide the district board with a quorum.

(3) If the vacancy occurs in the first half of a term of office and at least 130 days prior to the next general district election, the person appointed to fill the vacancy shall hold the office until the next general district election that is scheduled 130 or more days after the date the district board is notified of the vacancy, and thereafter until the person who is elected at that election to fill the vacancy has been qualified. The person elected to fill the vacancy shall hold office for the unexpired balance of the term of office.

TITLE: Approve Revised Board Committee and Joint Powers Authority Assignments for Calendar Year 2025

RECOMMENDATION:

The Board President recommends the Board of Directors discuss and approve, by Motion, the revised Board Committee and Joint Powers Authority assignments for the remainder of calendar year 2025 as presented in Option #1.

SUMMARY:

Certain Board Committees and Joint Powers Authorities (JPA) assignments are currently vacant due to the resignation of Division 2 Director Ann Marie Johnson whose departure was effective August 31, 2025. At this meeting, the Board will consider options for filling the Division 2 Board vacancy as a separate item on this agenda. Following that determination, the Board will consider possible reassignments to fill the vacancies on the Board Committees and JPAs to ensure desired representation at these meetings for the remainder of 2025.

DISCUSSION:

In December of each year, the Board discusses the Board Committee and JPA assignments and mission statements, followed by approval of Boardmember assignments, as primary or alternate members, to the various Committees and JPAs in accordance with the process set forth in the Guidelines for Conducting District Business policy. On January 7, the Board approved the 2025 Boardmember assignments to the four Liaison Committees and two JPAs, with Director Johnson as a representative to two bodies and an alternate to one (denoted with *):

- Tri-Valley Water and Zone 7 Water Agency Liaison*
- City of Dublin Liaison
- City of Pleasanton Liaison
- City of San Ramon and Central Contra Costa Sanitary District (Central San) Liaison*
- DSRSD-EBMUD Recycled Water Authority (DERWA)*
- Livermore-Amador Valley Water Management Agency (LAVWMA)

The Liaison Committees meet on dates coordinated with the other agencies, and the JPAs meet on the predesignated schedules determined by the JPAs. DERWA meets on the first Monday of February, fourth Monday of April and September, and second Monday in December. LAVWMA meets on the third Wednesday of February, May, August, and November. In addition, JPAs hold special meetings as needed. Five meetings are planned from now until the end of the year: regular DERWA meetings in September and December, a Tri-Valley Water Liaison Committee meeting in October, and a City of Dublin Liaison Committee meeting and a regular LAVWMA meeting in November.

To ensure adequate representation for the upcoming DERWA and Tri-Valley Water Liaison Committee meetings, President Goel recommends the Board:

- Reassign Vice President Halket as a primary member and assign Director Govindarao as the primary alternate on the DERWA JPA for the remainder of 2025.
- Assign Director Vonheeder-Leopold as the alternate for the Tri-Valley Water Liaison Committee for the remainder of 2025.
- Assign the Division 2 Boardmember as the secondary alternate to DERWA and a primary member for the San Ramon/Central San Liaison Committee. No meetings are currently planned for the San Ramon/Central San Liaison Committee for the remainder of calendar year 2025.

In accordance with Regulation 18702.5 of the Fair Political Practices Commission (FPPC), the District must post on its website the FPPC Form 806 (Agency Report of Public Official Appointments) to report additional compensation that officials receive when appointing themselves to positions on committees, boards, or commissions of another public agency or to a committee or position of the agency of which the public official is a member. The form must be posted prior to a vote to appoint a Boardmember if the appointee will participate in the decision and the appointment results in additional compensation to the appointee. Attachment 2 is a draft Form 806 reflecting the proposed revised 2025 assignments in Table 2 above.

NEXT STEPS:

Staff will finalize and post the revised 2025 Committee/JPA Assignments and Mission Statements document and Form 806 according to the Board’s action and, if requested, continue the discussion at a future meeting.
