

DSRSD CONSTRUCTION PROJECTS

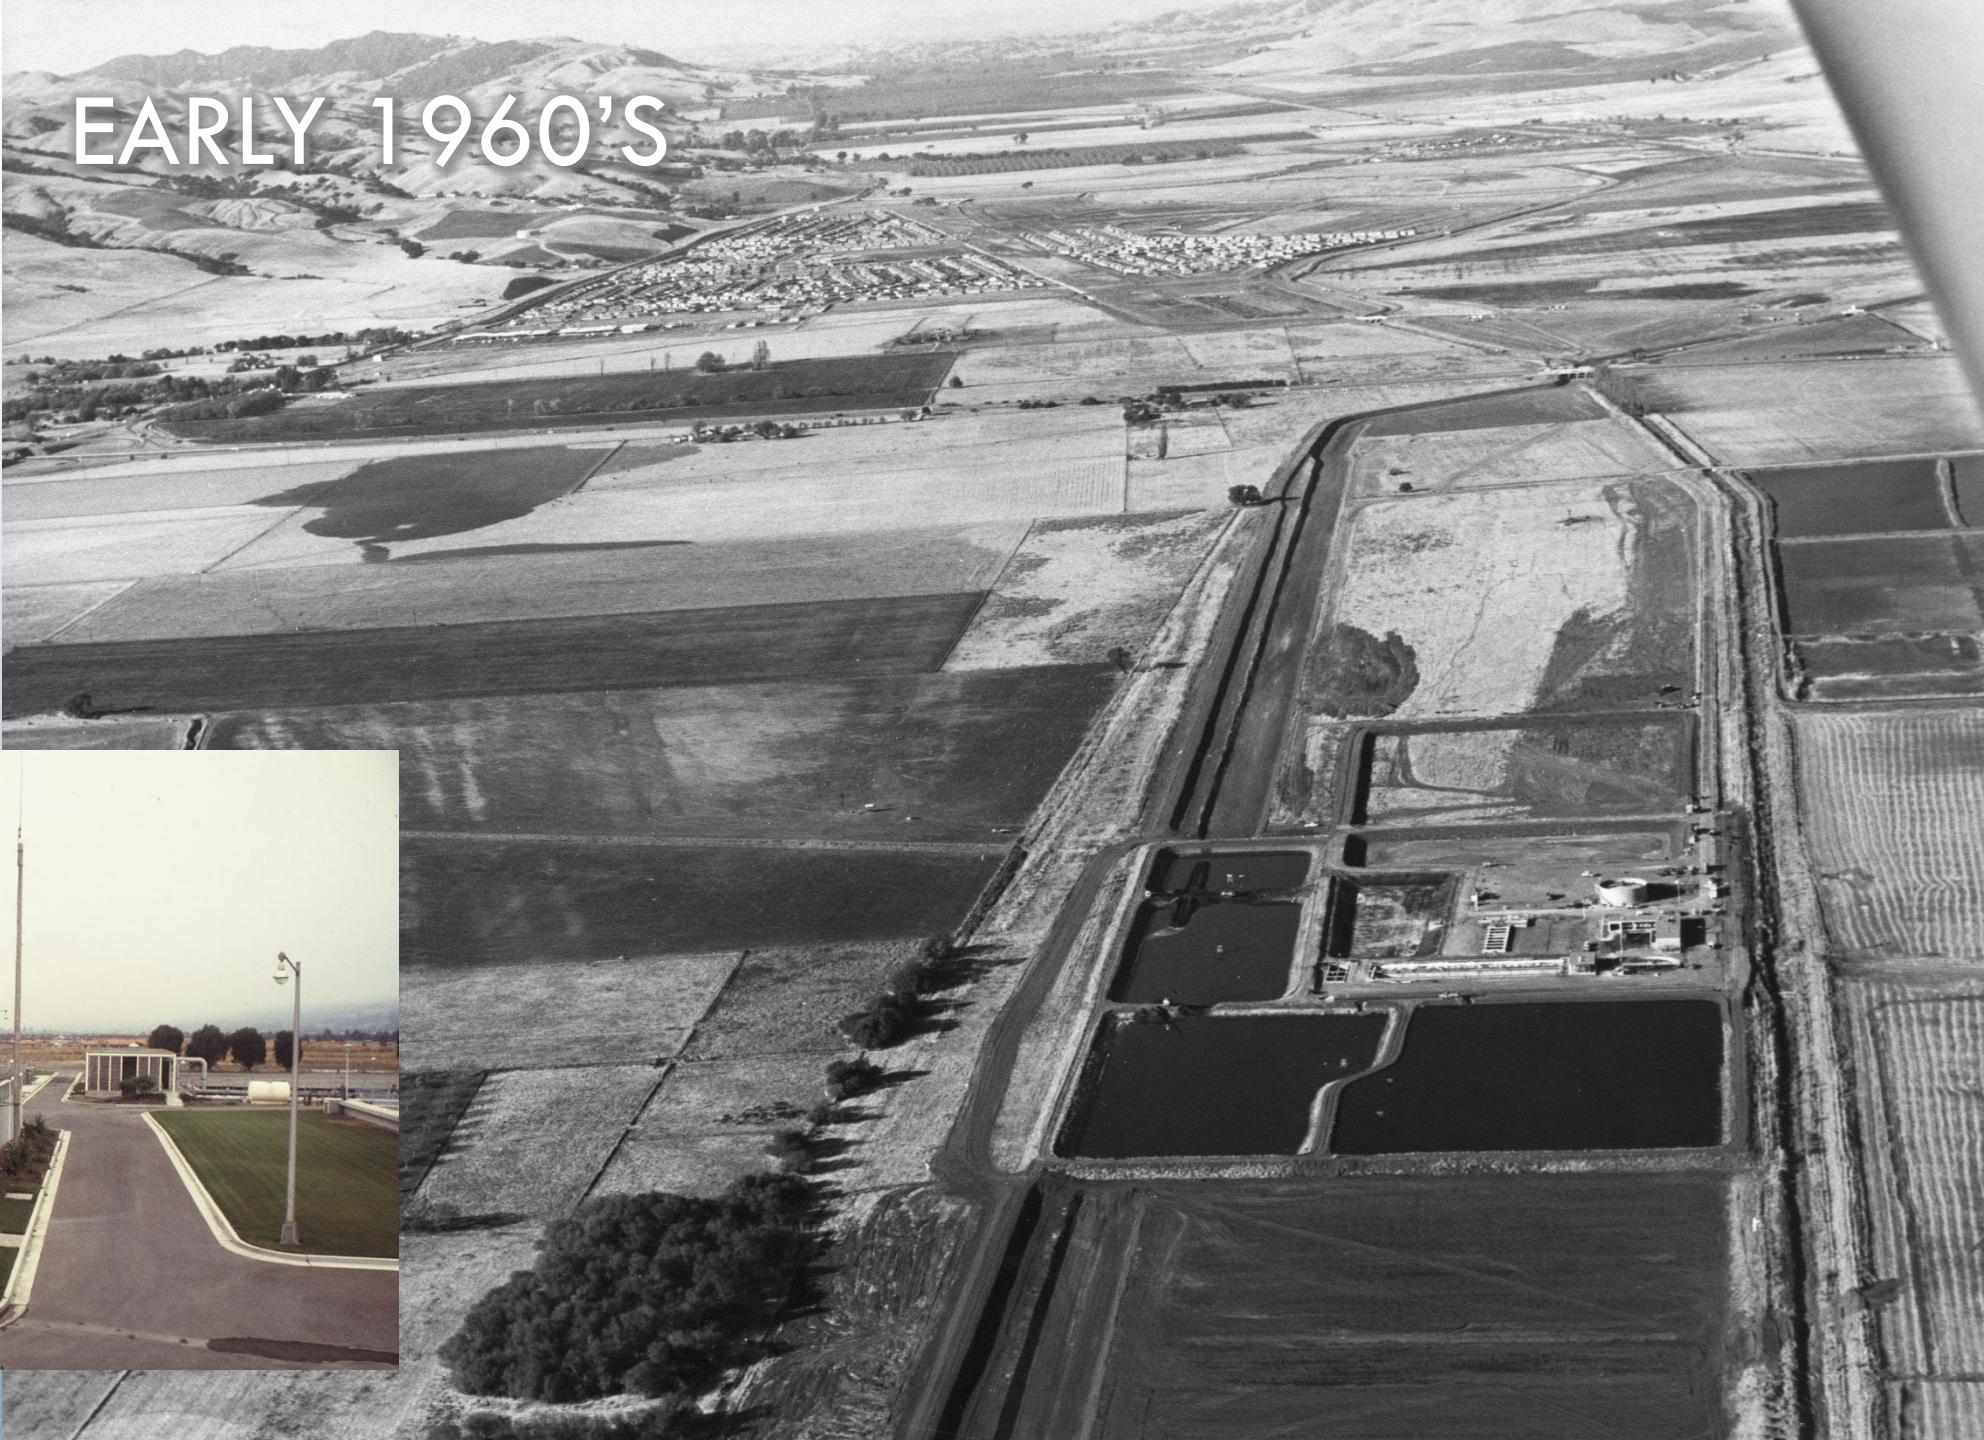

**Dublin San Ramon
Services District**
Water, wastewater, recycled water

**Steven Delight, PE, DSRSD
Engineering Services Director
Dublin/DSRSD Liaison Meeting
May 22, 2023**

EARLY 1960'S

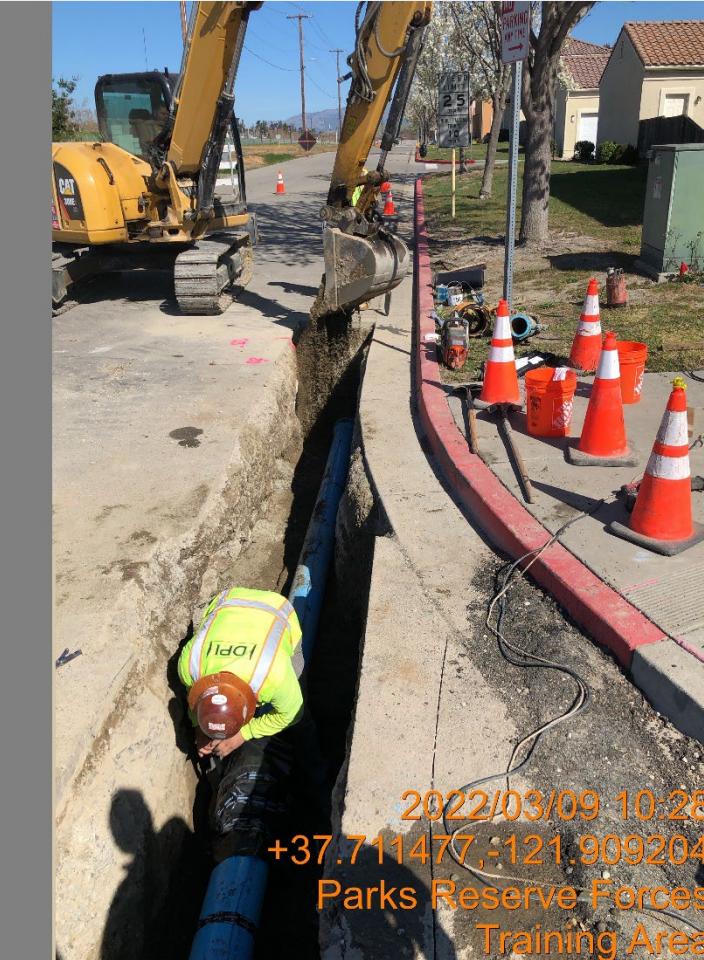

The background of the slide features a vertical column of wavy, overlapping stripes on the left side, transitioning from dark blue at the top to yellow at the bottom. The right side of the slide is a solid light blue color. Scattered across the slide are several white, semi-transparent bubbles of various sizes, some with soft shadows.

Construction Projects

Past – Present - Future

Camp Parks Water Main Replacements

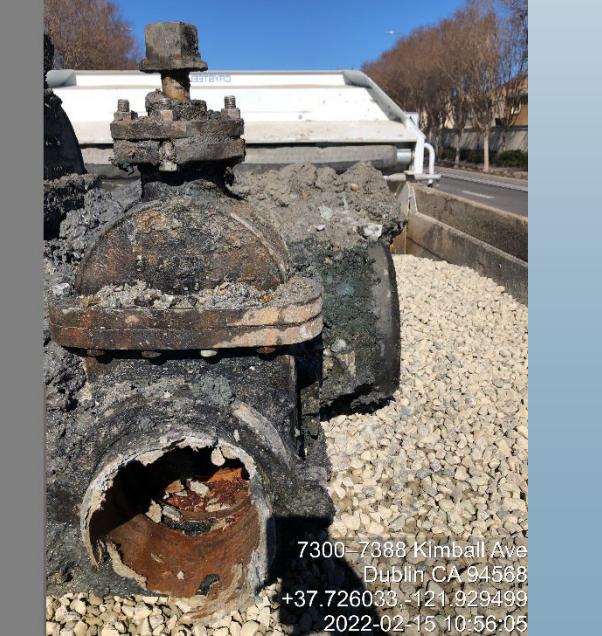

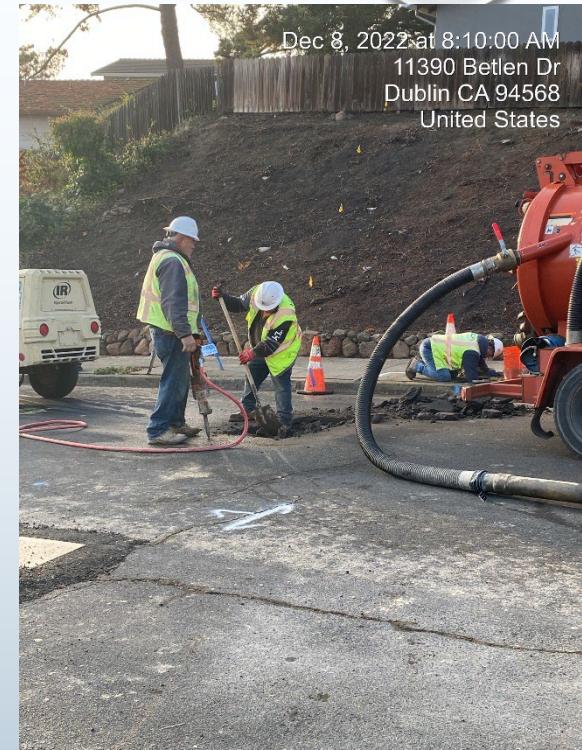

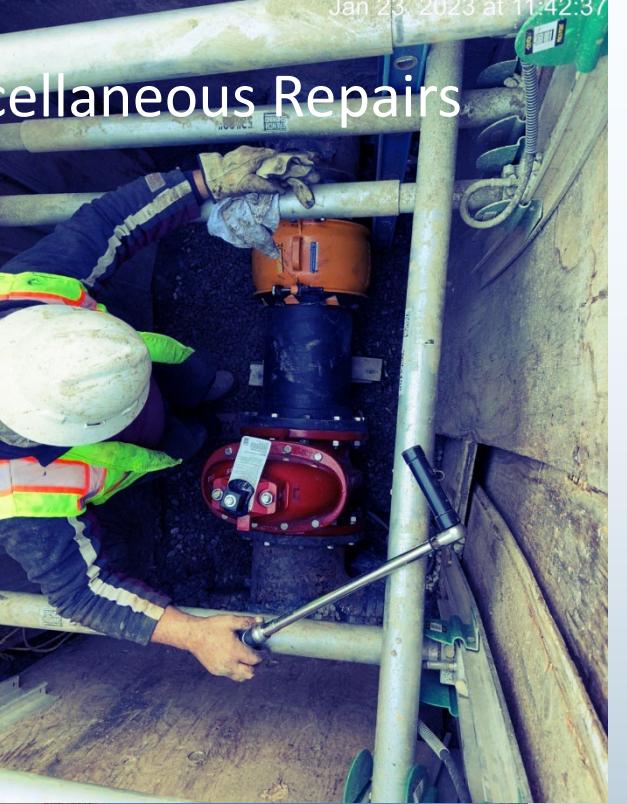

Emergency Standby Generators

Jan 23, 2023 at 11:42:37

Miscellaneous Repairs

Dec 8, 2022 at 8:10:00 AM
11390 Betlen Dr
Dublin CA 94568
United States

The background of the slide features a vertical column of wavy, overlapping stripes on the left side, transitioning from dark blue at the top to yellow at the bottom. The right side of the slide is a solid light blue color. Scattered across the slide are several white, semi-transparent bubbles of various sizes, some with highlights to suggest depth.

Construction Projects

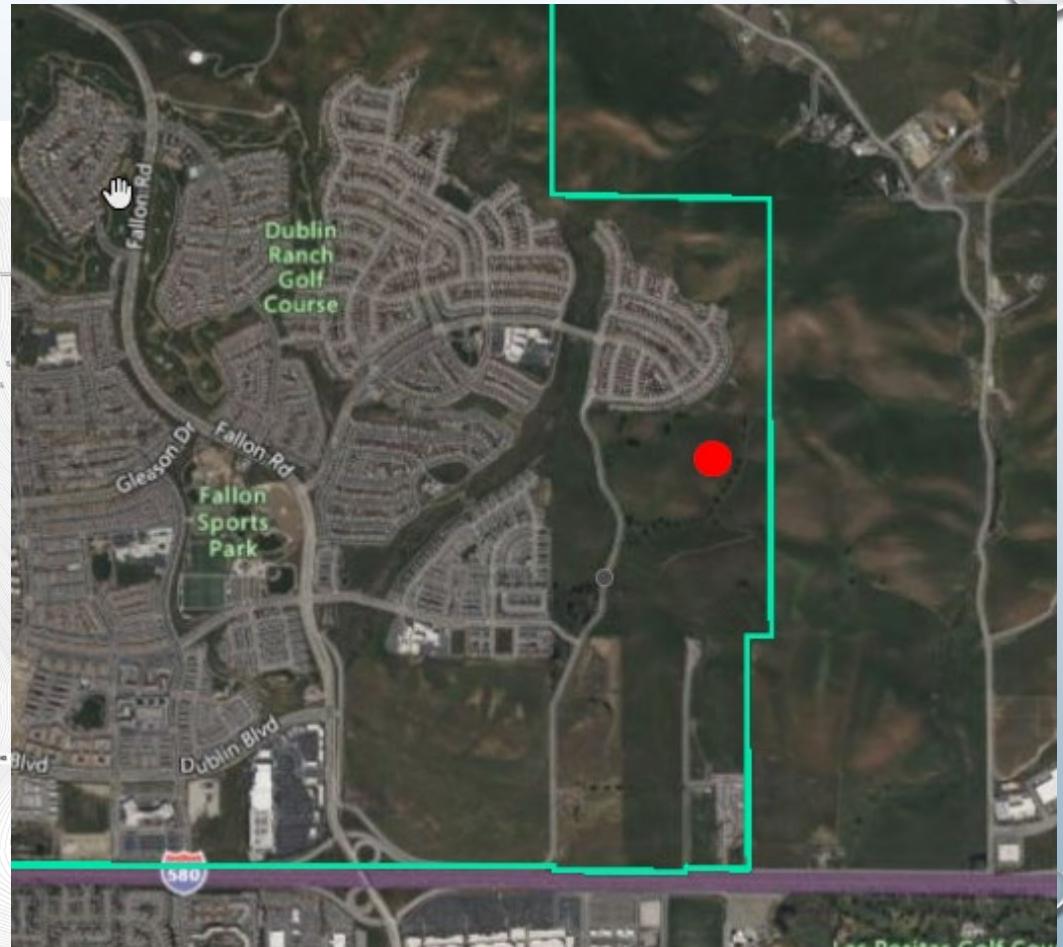

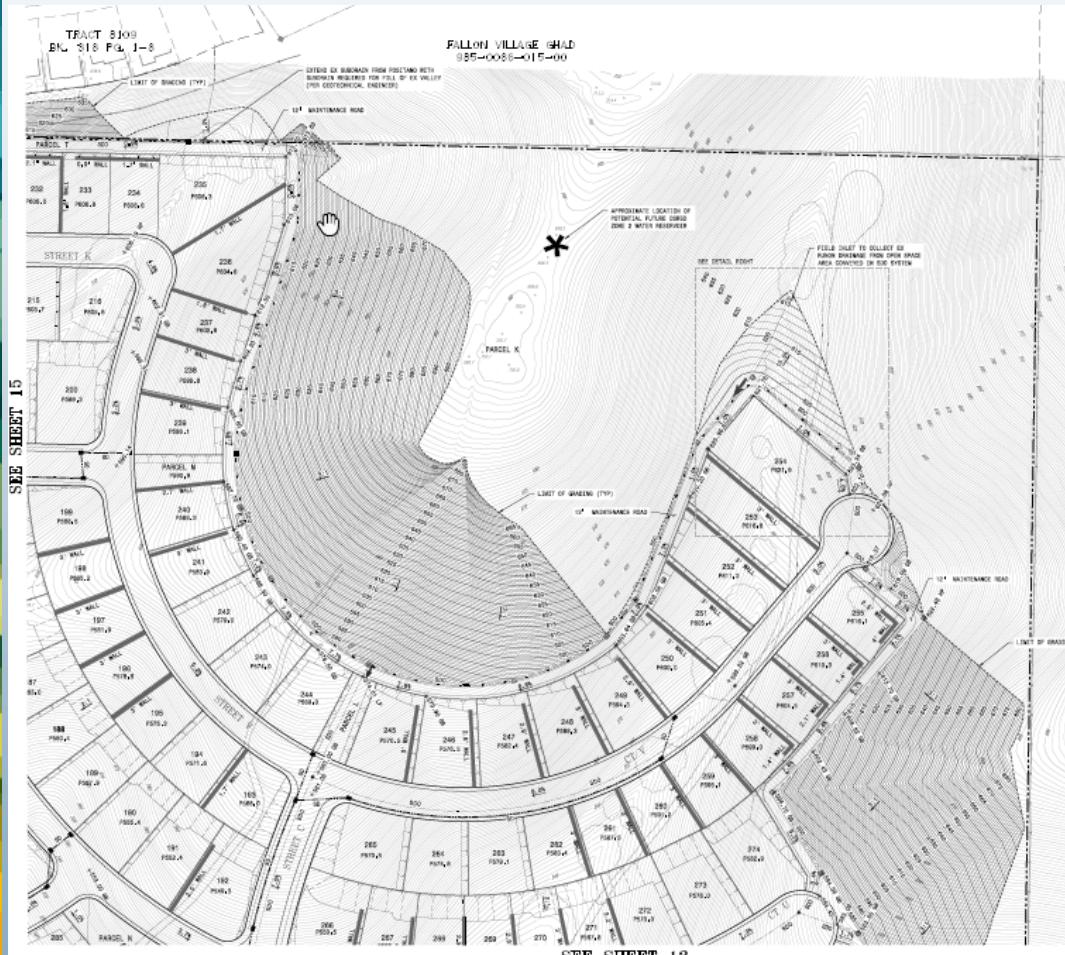

Past – Present - Future

Wineberry/Canterbury Pipeline Replacement

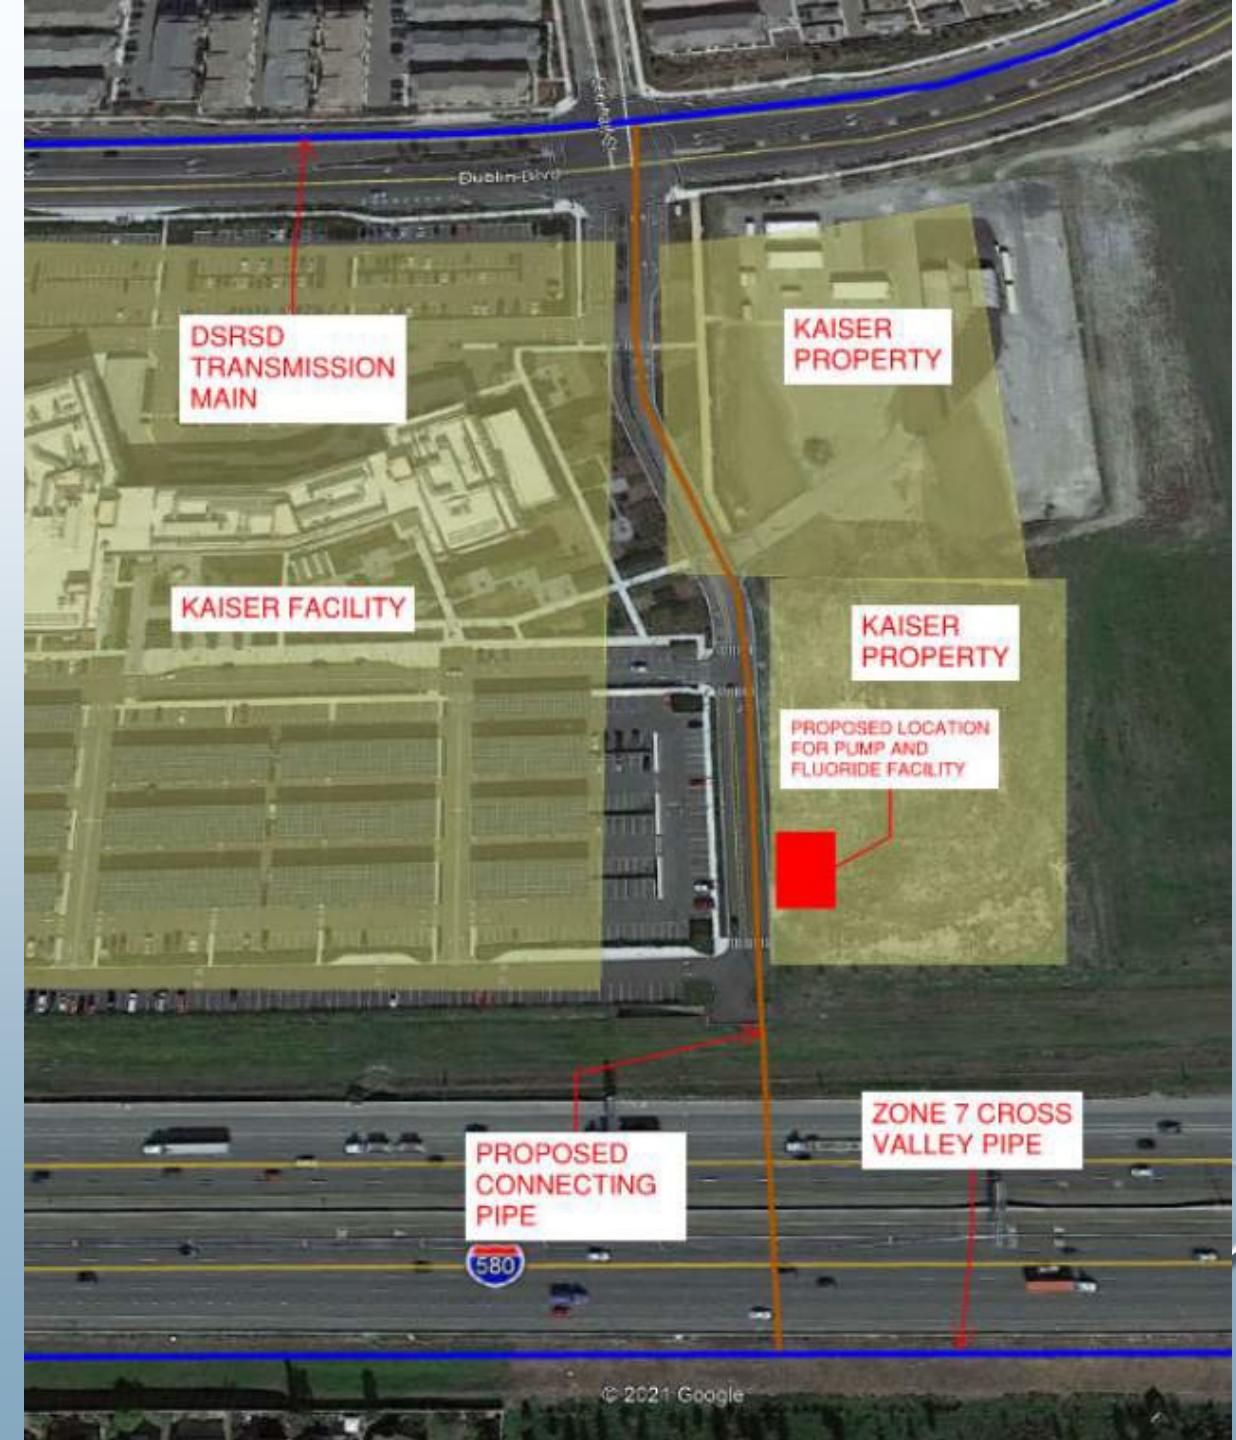

Reservoir 20B

Pump Station 1A Rehabilitation

Turnout 6
