Dive deeper into DSRSD's services

There's a lot to know about your water. Come find out.  CITIZENS WATER ACADEMY

Calling all curious customers! Do you want to know what it takes to provide water and wastewater services to the community 24/7?

- **We invite YOU** to apply for the 2024 Citizens Water Academy!
- **Get an exclusive behind-the-scenes look** at water and wastewater management and operations in three engaging sessions.
- **Academy dates:** April 17, May 22, and June 20, 6 - 8:30 p.m.
- **Where:** District facilities in Dublin and Pleasanton

Learn about your water supply, wastewater treatment, infrastructure, recycled water, and more from our experts.

The bottom line: Don't miss this chance to deepen your understanding of local water issues and explore public service employment opportunities and leadership pathways.

Apply by March 29. Visit our [Citizens Water Academy page](#) to apply online or grab a paper application at the District office - 7051 Dublin Blvd, Dublin.

Join the Fix-A-Leak Challenge: Save Water, Save Money!

Get ready to roll up your sleeves and join the fun as we gear up for the Fix-a-Leak Week Challenge 2024, happening this month! ✨

- **Common household leaks** can waste tons of water (and money) a year! We want to help you reduce water waste, save money, and conserve water.
- **Our water wholesaler**, Zone 7 Water Agency, has some exciting activities planned to help you become a leak detection pro!
- **Follow Water-Wise Wendy** as she guides you through leak detective challenges in your home.
- **Complete all the challenges** before March 31st for a chance to win home improvement gift cards, Girl Scout cookies, and more!

Get paid to save water!

Attention homeowners and business owners!

- Did you know that Zone 7 Water Agency will pay you to make your landscape more water-wise?
-  Say goodbye to thirsty lawns and hello to attractive, eco-friendly alternatives!
- Single-family homes can receive up to \$1 per square foot of lawn removed, up to \$2,000.

Why it matters: Replacing grass with low-water plants will reduce your water use, enhance your property's beauty, and improve the environment.

Let's celebrate National Groundwater Awareness Week!

 **Groundwater Awareness Week** is March 10-16, 2024.

- Did you know 20% of your drinking water comes from the Livermore Valley Groundwater Basin?
- Overuse in the past led to drastic declines in water levels, but agreements with the State Water Project now support groundwater replenishment.
- With careful management, future generations will be able to rely on this important supply like we do today.
