# Ava Community Energy Update

Board of Directors Meeting  
February 4, 2025

Dan Gill, Operations Director

# Discussion Topics

- Community Choice Aggregation
- Ava Community Energy
- Plans and Rates
- Next Steps

# Community Choice Aggregation (CCA)

- Community Choice Aggregation is a California program that allows local governments to procure cleaner power for their residents, customers, and businesses while still receiving transmission and distribution services from their existing provider.

# Ava Community Energy

- Formed in 2018 as East Bay Community Energy
- Serves 1.7 million residents and commercial customers of Alameda County
- Provides electrical generation with focus on sustainability
- Goal to purchase 100 percent from clean sources by 2030

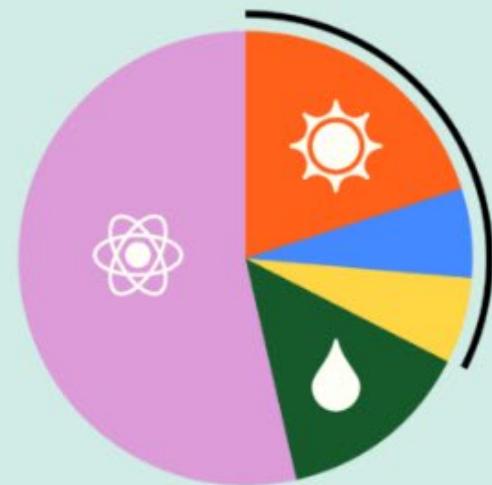

## Renewable 100

100% solar and wind energy priced at 1/4 cent per kWh above PG&E rates.

## Bright Choice

Our basic plan: 54.6% eligible renewable energy (2023) priced at 5% below PG&E rates.

## PG&E

For comparison, your previous basic plan: 32.8% eligible renewable energy (2023).

■ Solar ■ Wind ■ Biomass & Biowaste, Geothermal, Eligible Hydroelectric

■ Hydro ■ Nuclear ■ Other or Unspecified

# Potential Savings: FY24 Expenses

- DSRSD Regional Wastewater Treatment Facility
  - Spent \$1.5 million - Approximate savings \$75,000
  - Cost savings shared between DERWA agencies
- LAVWMA Export Pumping Plant
  - Spent \$2 million - Approximate savings \$100,000
  - Cost savings shared between LAVWMA agencies

For an immediate energy cost savings of 5%, enroll our remaining PG&E account in Ava “Bright Choice”.

LAVWMA should enroll in Ava “Bright Choice”.
